LETTER FROM THE DIRECTOR

Dear Grayslake Area Community,

I'm sure, like me, you remember your very first library card and the excitement of bringing home books like *The Giving Tree* by Shel Silverstein or *Wacky Wednesday* by Dr. Seuss. Today I'm more likely to check out an eBook on a personal device, and my library card brings stories to life more than ever before with all the amazing resources available!

Even with items like WiFi hotspots, travel adapters, board games, telescopes and more, borrowing is just the tip of the iceberg! We also offer free notary services, study rooms, meeting rooms, a makerspace, computers, printers, copiers, databases to learn a new language or research your genealogy, and too many wonderful enrichment programs to count!

A family recently shared with me how they had grown up with the library from storytimes, to textbooks, to technology services. They mentioned how grateful they were, not only for all that we offered then, but that our services grew with them as they did! We invite you to share your stories about how you've used our library throughout your life as we both reminisce and look forward.

Perhaps the greatest story about the public library, though, is the connection it has with its community. Every time I'm out and about, people approach me to share, "You're so lucky to have so-and-so at the library," and I agree! We are equally lucky to have you. For we know, your library card is just the beginning of your unique story.

In Earnest,
Library Director Sara Brown
And the entire Grayslake Area Public Library District Team

BOOKS AND BEYOND

Our Library of Things Keeps Growing!

Available for checkout soon: GoPro cameras, international charging adapters, ukuleles, VR equipment, and more!

"One of the things we considered when buying a house was how close it was to the library; our whole family benefits from all the library offers. When we go there we all can find enriching programs to attend, explore and create in The Hub, and then come home with books!" - The Booher Family

"The library is full of fun activities, programs, and books!"
- Lauren and Ryan Webber

"We were, I think, surprised at the amazing amount of 'stuff' we could borrow and make at our fabulous library. Sounds like our library could be involved in every area of our lives here!"
- Roberta Knaufl

We're Listening!

You asked for more open hours in The Hub, and you got them - beginning November 1st!
