

MISSION STATEMENT

The mission of the Grayslake Area Public Library District is to provide informational, educational, cultural and recreational services to all patrons of our Library District, regardless of age or ability, through the means of print and non-print resources, especially high-interest, high demand resources.

ROLES

The primary role of the Grayslake Area Public Library District is a Popular Materials Library.

Secondary roles are Formal Education Support Center and Reference Library.

PURPOSE

The Grayslake Area Public Library District Board understands the library to be:

- a repository or source of materials, in several forms, available to the community as resources of information and as contributors to education, understanding and enjoyment.
- an agency stimulating and cooperating in the advance of cultural and civic activities.
- a physical place where its facilities can be used and its activities conducted.
