### **NONRESIDENT NONTAXPAYER LIBRARY CARDS**

Nonresident cards will be issued for a fee to persons residing outside the boundaries of and not paying property taxes to the Grayslake Area Public Library District if the Grayslake Library is the public library closest to their principal residence. This is determined by the location of libraries in the following governmental territories, in sequential order, in which the non-resident has his or her principal residence:

1. High School or Consolidated School District
2. Township
3. County

For purposes of identification and address verification, the library card applicant must be present to register or renew their Grayslake Library card, with the exception that the responsible adult for a child who has not yet entered high school may renew the child's card without the child present.

A list of acceptable forms of identification is available online and at the Circulation Desk.

Applicants (and the adult responsible for a child who has not yet entered high school) must present any combination of acceptable identification. Identification must include their name, photo, and current address.

Only one fee per household will be charged and cards will be issued to all members of the household on the same basis resident cards are issued. Nonresident cards will be issued without a fee to a nonresident in an unincorporated area in Illinois who is a student whose household falls at or below the U.S. Department of Agriculture's Income Eligibility Guidelines.

A patron shall use only their own resident library card for their own library transactions including but not limited to circulation functions, program registration and other library services. Patrons may give permission for others to access their account – please refer to Policy 337, PATRONS ALLOWING OTHERS TO ACCESS THEIR LIBRARY ACCOUNTS.

Parents or legal guardians of children under high school age must sign the child's application.

The card will be issued for a period of one year for a fee based on the per-capita support for the library per household and may be renewed upon verification of continued residency.

Verification requires presentation of their library card and any combination of acceptable identification that includes name, photo, and current address.

Nonresident cards shall allow for full reciprocal borrowing privileges at all participating public libraries.
