IMMEDIATE RELEASE

**Grayslake Bike Share**

**Grayslake, IL February 2, 2021** - Grayslake Bike Share, a partnership between the Grayslake Area Public Library District, College of Lake County, Grayslake Community Park District, Village of Grayslake, and Grayslake resident Mary Klees, has announced that it has partnered with Koloni, Inc., and plans to launch Lake County's first bike share program as a two-year pilot program in Spring 2021.

"As part of our strategic plan, we are pursuing partnership opportunities that underscore our mission, 'Connecting community. Enriching lives. Inspiring ideas.' Libraries have always striven to find innovative ways to provide access to resources and improve quality of life for our neighborhood and families," said Library Director Sara Brown. "Partnering with the Grayslake Park District for a shared community location seemed like a natural fit. We are also grateful to be partnering with the College of Lake County and the Village of Grayslake for the greatest good of our community as well."

The local districts and Ms. Klees have been working collaboratively since 2017 in the development of the bike-share program. Bike rentals will be available at various locations throughout Grayslake to rent for a cost of \$3 for the first hour and \$1 for each additional hour. More information will be available on all of the districts' websites and social media pages closer to the launch of the program this spring.
