IMMEDIATE RELEASE

Together We #Ride Grayslake!

Grayslake, IL April 28, 2021 - Grayslake Bike Share, a partnership between the Grayslake Area Public Library District, College of Lake County, Grayslake Community Park District, Village of Grayslake, and Grayslake resident Mary Klees, was officially launched on Friday, April 23, 2021.

Grayslake Bike Share is the first community bike share program in Lake County and offers a network of 5 bike rental locations across Grayslake. People can explore all that the Grayslake community has to offer including 20+ miles of bike trails. Rentals are available for a cost of \$3 for the first hour and \$1 for each additional hour.

“We are grateful to be partnering with the College of Lake County, Grayslake Park District, Village of Grayslake, and Grayslake resident Mary Klees for our community’s greatest good. It has truly been a pleasure and a privilege to co-create as a kind of ‘greater Grayslake team’, where we have shared all of our organizational strengths like spokes on a wheel, a bicycle wheel, to move Grayslake Bike Share forward, so that “Together We #Ride Grayslake!” said Library Director Sara Brown.

The local districts and Ms. Klees have been working collaboratively since 2017 in the development of the bike-share program. More information is available on all of the districts’ websites and social media pages.
