NONRESIDENT TAXPAYER LIBRARY CARDS

A nonresident, who, as an individual or as a partner, principal stockholder, or other joint owner, owns or leases property that is taxed for library services or is a senior administrative officer of a firm, business, or other corporation owning taxable property within the district, is entitled to a nonresident taxpayer library card.

Nonresident taxpayer cards shall allow for full reciprocal borrowing privileges at all participating public libraries.

A patron shall use only their own nonresident taxpayer library card for any and all library transactions including, but not limited to, circulation functions, program registration and other library services.

Nonresident taxpayers will be issued a library card upon presentation of the most recent tax bill for the property or a copy of the commercial lease of that taxable property, and any combination of acceptable identification that includes name and photo.

Nonresident taxpayer library cards are issued for a period of one year and may be renewed upon verification of continued eligibility.

Lost cards will be replaced for a fee.
