NON-RESIDENT TAXPAYER LIBRARY CARDS

Library cards will be issued free to non-residents, who own or lease property that is taxed for library services or who are a senior administrative officer of a firm, business, or other corporation owning or leasing taxable property within the library district. Non-resident taxpayer library cards are issued for a period of one year and may be renewed upon verification of continued eligibility.

Verification requires presenting one form of identification with a photo and the most recent tax bill for the property or a copy of the current commercial lease of that taxable property.

Non-resident taxpayer cards shall allow for full reciprocal borrowing privileges at all participating public libraries.

Non-resident taxpayer library card patrons must abide by all other policies applicable to resident library card patrons, and are granted the same privileges.
